Next Board/Club Meeting

Tuesday, February 28th
7PM Washington Township
Hall

It's great to be back in Dayton!

Caution!!! We're being tricked by this warm weather!!! As you know, Ohio is infamous for season changes within a 24-hour period. Yesterday's 70-degree record is surely hiding what's to come. I hope I'm wrong! Thankfully it's only 24 days till Spring.

It is time to prep engine, charge batteries and checkout all the control surfaces of your collection. I had my first experience with taking an engine apart to unlock a carburetor on my OS 65, never had that before. I am planning to spend more time at the field this year since 2022 did not offer me much chance to do so. I hope everyone is gearing up for a great season.

Membership renewals are going pretty well with about 60% of dues having been paid. Please note, several members have an expired AMA membership. AMA coverage is required to fly within the WORKS Club. Cards have been mailed to those who have renewed and I'll have cards for those not yet renewed at our meeting. **I need help with getting contact information for a new member that we welcomed several meetings ago. If someone can help me with contact info for Tom Hatfield, I would appreciate same.** I'll send out a new roster when I get all the info.

2023 will mark the Club's 65th anniversary, quite a milestone in this day and age. The Board will work on something commemorative for the occasion. Any thoughts?

We have the chance to host an outside group that has approached us in hopes of doing a BBQ dinner at the field and asking us to do a flying demonstration. The Jewish Center of Dayton will be meeting members of the Board on Monday, February 27th at 3:30pm to do a site inspection and discuss details. Anyone interested in joining us is welcome. This would be a great recruitment opportunity.

That's all for now, get your AMA and Club renewals in soon so you can take advantage of these rare warm WINTER days....

Gary S. will do one of his refresher presentations at our next meeting on **Tuesday, February 28th, 7PM at the Washington Township Hall.** See you then. Kim
