## 66 Year of Flying!!!

As our 66<sup>th</sup> year is coming to an end, we should all be proud that we have maintained this club for such a long time. The WORKS Club has a long tradition of welcoming flyers from all ages, clubs and disciplines and I know we will continue for many years to come.

As I step down from my President's role, I reflect on the sad event that allowed me to serve the Club. It was over four years ago that we lost our dear friend John Buechler way too soon. John stood for many years serving the club and continuing its traditions. I hope that I have done the same, it has been an honor to serve. To that end, this will be my last newsletter and I hope to continue my support as the Club Secretary. My last official duty will be our November meeting and to host our Christmas Party at TJ Chumpps on December 3<sup>rd</sup> at 6PM. Our new officers will take over on January 1 *and I can guarantee a "smooth transition".*

I am truly encouraged by what I am told, that we have candidates for most positions to serve in 2025. We will finalize the vote and structure at our next meeting. Many thanks to those you have volunteered.

Our mowing schedule is over and now the task of winterizing the equipment. We'll talk about this at our meeting next week. In the past we have "winterized" the shelter so we'll see if that can happen for those die-hard winter flyers.

Again, be sure to mark your calendars for our annual Christmas Party at TJ Chumpps, Tuesday, December 3<sup>rd</sup> at 6PM. I'll need RSVPs at the next meeting!

I have reserved the November meeting room at the Franklin library for November 21<sup>st</sup> at 6:15PM. Please note the change to Thursdays and earlier at 6:15PM, they want us out as earlier as possible.

Thanks for four years of support and I'll see you soon, Kim.
