Next Board/Club Meeting

Tuesday, January 30th

7PM Washington Township

Hall

WORKS Celebrates 66 years of R/C Flying

As I sit here completing our 2024 AMA registration it reminded me that 2024 marks 66 years of the Club's existence and the many members that have been part of this great club. We all should be proud of this accomplishment for not many things last this long. A job well done!!

It is time to prep engines, charge batteries and checkout all the control surfaces of your collection. There are only 53 days till Spring and you never know what the weather will be like in Ohio on a daily basis. I hope everyone is gearing up for a great 2024 season.

As we welcome 2024, we start the year with some shuffling of Officers and Board members. We thank Bob Christopher for remaining on the Board, and welcome Tom Shafer to the Vice President position and Terry Wyant to the Board. Greg Newman will move into the Treasurer's position and we thank Dennis Sedlock for the many years of keeping the Club's numbers straight. Dennis will miss our meeting this month as he and Linda are enjoying two weeks in Florida. Thanks for your service, Dennis.... Thanks to all the members that support our club.

We'll do another distribution of the remaining shirt order at our meeting this month. If I have any left, I'll be taking them to the field in March and putting them in the bin at the shelter. They will be labeled and in plastic bags.

Our year-end Christmas Party was well attended with about 20 members and significant others. Food and service was great, as always and I have booked the room again for 2024. Thanks to all that attended.

January 1st saw a few members brave the weather for the 2024 Fun Fly. From what I saw the weather was cloudy but there were planes in the air. Sorry not to be there as Sandy and I were headed to South America for a two-week excursion. Maybe next year...

Membership renewals are going pretty well with about 60% of dues having been paid. Membership renewals are due this month and please be sure to keep your AMA membership current. AMA coverage is required to fly within the WORKS Club. Dues can be made payable and mailed to the WORKS Club, P.O. Box 643, Miamisburg, OH 45342. Cards will be printed and mailed during the first weeks of March along with an updated roster.

That's all for now, our next meeting is on **Tuesday, January 30th, 7PM at the Washington Township Hall.** See you there. Kim
