### Next Board/Club Meeting

**Tuesday, August 26<sup>th</sup> 6PM**  
**Food ready at 5:30PM**

## Summer is soon gone!!!

It's been a hot, hot summer so far. I hope we get a break soon. First, a quick reminder that we will not be flying Labor Day weekend as the Hummels are having a Family reunion and the field will be occupied with partying Hummels. Flying can resume on Monday afternoon.

I added a third battery to the new charging station today compliments of a donation from Steve Pasch. Next will be the addition of an inverter to supply 110 vac. Just a reminder for anyone using a mower.... **keep it off the Geotech**.....If you want to know why ask Sam. The field is looking great as our dedicated field crews have been doing a great job on the grass and trimming.

Our next meeting is Tuesday August 26th at the field. Let's try to get it started at 6:00 pm. We will be re-viewing the new training program.

August's Ice Cream Social and Birthday celebration is Wednesday, August 27th per Doug's email at the Butter Churn Café in Waynesville.

For those looking for something to do Labor Day weekend we could plan to run up to Muncie as there is an Airpower Over the IAC event that is very well attended, and it might be a great opportunity to visit the AMA Museum.

After many years of mowing, Mark Infeld is stepping down from the mower. Brian Bremer will be taking his spot so many thanks to both for stepping up to help the club. In 2026 there are discussion about adding an additional set of "mowing technicians" so we'll see if our alternate may want to jump on a mower. Mark will continue to monitor and fill gas cans so let him know of any issues.

I am sure there will be more to discuss at the meeting.

More later, Tom

Our next Club meeting is Tuesday, August 26<sup>th</sup> at 6PM at the WORKS/Hummel flying field. Food ready by 5:30PM. Hope to see you there.
