Next Board/Club Meeting

Tuesday, March 28th
7PM Washington Township
Hall

We seem to have vanquished the bulk of Winter as we have had several nice flying days in the past month. It's great to see flyers back at the field and enjoying the flying and comradery. I was out with a big group several weeks ago and was finally able to get my new Storch in the air thanks to Doug Miller. I'm anxious to repeat the flying....

Membership renewals are almost finished. We welcomed a new member last month and voted in Bill Martin, welcome Bill! We still have five outstanding renewals. I have contacted each. Unfortunately, we have lost several members leaving our roster at 50 members. **I still need help with getting contact information for a new member that we welcomed several meetings ago. If someone can help me with contact info for Tom Hatfield, I would appreciate it.** I've attached a new member roster as of today.

Attached is the final mowing schedule for this year. We will need to work with Terry W. and David G. on the mowers and procedures. I'll hook them up with some of us prior to their schedule.

We have committed to host a group from the Jewish Center for a BBQ dinner and flying demonstration at the field on Tuesday, May 9th starting with a 5PM dinner and then flying afterwards. The idea is to put on an "air show" type agenda with several members flying a sort of choreographed program. We will need several volunteers to help with parking, etc. We'll discuss this more at the meeting. This will be a great recruitment opportunity and we'll prepare an article and pictures to send to the newspaper and our representative at the AMA.

Last but most important was the call from our neighbors at the field complaining (actually threatening) about flying over their property. Whether or not they're correct, we must address the issue. We will need to discuss this at the meeting so **I strongly encourage** all members to attend the meeting next week. Ron S. has provided an aerial video of the field that we will review.

Our next meeting is on **Tuesday, March 28th, 7PM at the Washington Township Hall.** See you then. Kim
