#### **Next Board/Club Meeting**

**Tuesday, April 25<sup>th</sup>  
7PM Washington Township  
Hall**

This weather has really worked in our favor for an early start to the season. The field has been quite active and we've started mowing which is a sure sign that the flying season is here. I waited a day to publish the newsletter to decide where our meeting is this month. The projection shows a fair day next Tuesday but the temps will drop so **we'll meet as scheduled at the Washington Township Hall at 7PM.**

We welcomed two new member last month and voted in Bill Bruken and Lloyd Colston. I'm awaiting contact information for both. We still have three outstanding renewals. I have contacted each.

Mowers, remember to broadcast time/date when you intend to mow weekly. **Can I get a volunteer to work with the new mowing members that have not used the equipment yet?** Terry W., David G. and Steve R. will need training on the mowers.

Our hosting of the Jewish Center BBQ dinner and flying demonstration at the field is set for Tuesday, May 9<sup>th</sup> starting with a 5PM dinner and then flying afterwards. The idea is to put on an "air show" type agenda with several members flying a sort of choreographed program. I have commitments from a couple of members for flying and static demonstration but I need a few more. We also will need several volunteers to help with parking, etc. We'll discuss this more at the meeting. This will be a great recruitment opportunity and we'll prepare an article and pictures to send to the newspaper and our representative at the AMA.

The Old Timers have begun their Thursday morning flying sessions.

Bob Christopher will be starting training again on Tuesdays beginning after our May 9<sup>th</sup> event. Contact Bob to schedule training.

The AMA has reviewed and submitted our FRIA application to the FAA. In their review, our flying zone was reduced to eliminate any red flags from the FAA. Now we wait for that approval.

I want to thank Gary S. for the many training sessions and video and simulations over the last several meetings. They have been valuable and very interesting.

Our next meeting is on **Tuesday, April 25<sup>th</sup>, 7PM at the Washington Township Hall.** See you then. Kim
