Next Board/Club Meeting

**Tuesday, August 30th
6PM Hummel/WORKS
Flying Field**

Fall is coming, but still lots of flying days left!

I'm always glad to see the emails from members letting everyone know of their flying times. I hope other members join them. Don't hesitate to post your flying times. Conditions have been good and the field looks super. The occasional rain has made the field look great.

Last month we enrolled a new member, Steve Richardson, to the club. Steve has many years of flying experience. Please make him welcome.

Our research into adding a solar charging station proved to not be of interest to the members. Of the 48% of the members voting, 90% chose not to proceed. Costs and lack of usage were the major objections.

The Club was well represented at this year's Dayton Air Show. Jim Martin did a great job of getting our club and several other clubs a great display area, not to mention a great viewing area for the show. Jim Martin, Dennis Sedlock, Kevin Ferguson, Jim McGuire and I showed spectators a verity of different planes, both big and small. We spoke to many interested folks and handed out lots of flyers with information about the WORKS Club. Thanks again to Jim for the great organization and the perfect day.

Our annual Super Scale event is scheduled for Sunday, September 25th. I have prepared a draft flyer (below) and need to finalize before emailing to the list of clubs we usually send to. We'll need a member contact and as always, club support. Please consider helping with setup, parking, etc.

Last but by no means least, we need to decide if we return to T J Chumps for our annual Christmas party or venture to another location.

Due to the absence of the editor, there will not be a monthly WORKSSheet in September.

Our next meetings are Tuesday, August 30th and September 27th at 6PM, both at the field. I hope to see you then. Kim

What's Happening in the Club?

- New club First Aid Kit installed in cabinet on frequency board and kiosk, training session planned but not scheduled yet.
- One Personal first aid kit is available for anyone that wants it. \$35 each, see Kim.
- Mowers, don't forget to let the membership know the day/time you plan on mowing. If you have a problem with such, let Kim know (937-477-7009) and he'll broadcast.
- An alternate is needed for mowing the week of 09/18-09/24. Please contact Brad Mullins to schedule.
- Chef Greg's cooking will be week to week, depending on the weather. Check your emails on Mondays for cancellations.
- Next meetings, Tuesday, August 30th and September 27th at 6PM both at the Hummel/WORKS Field.
- No **WORKSSheet** in September, editor out of the country.....
